#### **\*\*\* This Week's Featured Apprenticeship \*\*\***

#### **Dynamic Dunescapes Project Support Apprentice**

**Cornwall Wildlife Trust**

**Location: Truro**

**Salary: £129/week**

We are looking for an apprentice to join the Dynamic Dunescapes project, funded by the National Lottery Heritage Fund and the EU LIFE programme. The Dynamic Dunescapes project is working to rejuvenate sand dune systems in England and Wales, creating more bare sand which will encourage threatened dune wildlife to flourish.

The successful individual will be passionate about wildlife conservation and be looking to build experience in a range of skills, including administration, event planning/delivery/reviewing, social media and people engagement generally. Working closely with the People Engagement Officer, the role will involve online and face-to-face communication with a wide variety of people, including colleagues, schools, local groups, people living with dementia, regular volunteers and tourists. Accurate record-keeping and report writing as well as the ability to work safely and follow guidance are important. Please take the time to read the roles and responsibilities of the job specification to see if this apprenticeship is right for you.

**Closing date: 17 Jun 2021**

**Possible start date: 01 Jul 2021**

**To apply visit [Dynamic Dunescapes Project Support Apprentice - Find an apprenticeship \(findapprenticeship.service.gov.uk\)](https://findapprenticeship.service.gov.uk)**

#### **Accounts Assistant Apprentice**

**Hendra Holiday Park**

**Location: Newquay**

**Salary: £340/week**

Our company is looking for an accounts assistant to support the Finance Manager and the accounting team with day to day operations. The successful candidate will possess exceptional organisational and time management skills, and experience working successfully in a fast-paced environment.

Responsibilities will include reconciling daily revenue, posting to accounting software, bookkeeping, maintaining and completing files and records as needed. Other parts of the role will include stock taking, assisting with accounts completion and the completion of company returns.

Closing date: 15 Jun 2021

### **Apprentice Field Support Technician**

British Telecom

Location: Truro

Salary: £16,422.00/year

Our Support Technicians look after service in the Field – this means working on-site with our diverse range of customers, from small local business right up to large FTSE 100 corporate organisations – no two days are the same!

- You could be doing anything from provision or repair, hardware, software or infrastructure
- You will be working in the Field day-to-day and have direct exposure to our customers. Working on customer sites every day means you'll need to be prepared to travel around, but that's part of the fun
- You get to see our technology being used in lots of different, innovative ways, and you get to be part of it
- You will attend customer sites to help with installations where engineering support is required to set-up, install, and carry out non-complex and simple repairs
- You will also be able to confidently talk through ideas and problems a customer may have in connection to the BT portfolio
- You will make sure customer's services and solutions are set up and optimised
- You will also make recommendations on new digital product and service solutions and may even sell them to the customer

This is an incredible opportunity for someone who is passionate about technology, but that doesn't mean you have to be super technical – we'll give you all the training you need to get you up and running to progress your career within the Field and beyond. Behaviour is more important to us, so if you have a proactive attitude and you love having great conversations, apply today!

Closing date: 30 Jun 2021

Possible start date: 01 Oct 2021

### **Apprentice Engineer (Mechatronics)**

Reliance Worldwide Corporation Ltd

Location: Launceston

Salary: £14,144/year

As an Engineering Apprentice you will work within an efficiently organised team of skilled engineering personnel. The purpose of the role is to allow you to develop and learn the engineering skills required to drive RWC forward and to ensure manufacturing has the right resources to support and enhance the overall performance of the site. What will the apprentice be doing?

- Maintain the safety, integrity, and effective operation of RWC asset, plant and equipment, including activities such as installation, testing, servicing, removal, replacement, maintenance and repair of automated assembly and mould / press tooling.
- To facilitate the design and/or build of Press and Injection Mould tools.
- To facilitate the design and / or build of Automated Assembly equipment.

### **Aeronautical Engineering Apprentice – Avionics**

Serco

Location: Helston

Salary: £10,100/year

Serco has delivered defence services in the UK since 1964 and here at RNAS Culdrose we employ around 300 engineers who carry out maintenance on Royal Navy Merlin Helicopters and a range of Avionic equipment. As one of our Aeronautical Engineering Apprentices you will develop the skills you need to join a team that is vital in ensuring the safe and efficient arrival, turnaround and departure of aircraft.

The role involves highly skilled, complex and specialist work, maintaining aircraft systems according to approved work instructions and accurately completing aircraft documentation. You won't be doing it alone though - you will be provided with unparalleled support throughout the duration of your programme by working alongside your colleagues, attending college, and getting hands on experience.

You'll need to have a Grade B or above (Grade 9 – 6 under new grading structure) in Maths as well as a Grade A-C in English, Science and one additional subject (Grade 9-4 under new structure) and have a strong interest in Aircraft Engineering.

Environment Agency

Location: Wadebridge

Salary: £19,814/year

We are looking for enthusiastic Team Members to join our Operations Field Team. You'll help manage river and coastal defences, working to counteract the causes of flooding and pollution alongside contributing to our responsibilities relating to the protection and enhancement of the environment in England. Delivering routine maintenance for our assets, you'll help protect properties and infrastructure by maintaining flood defences and river channels. This physical role involves working in a team, outside in all weathers, using a variety of tools and equipment to carryout tasks, such as site maintenance, tree clearance and minor construction work.

We act quickly when floods or environmental emergencies occur, providing response inside and outside of normal working hours by participating in an incident standby role as part of an emergency call out rota. This will involve operating our assets such as pumps, sluices and flood gates as well as deploying sandbags, temporary barriers, mobile pumps and pollution equipment. You will be trained and supported to contribute to our response to incidents. **Depending on experience you may be required to complete the Environment Agency's field worker apprenticeship scheme. The role is fully funded and supported throughout the 18-month programme.**

Our Operations Field Team are based at Wadebridge Depot, Cornwall. We deliver a maintenance programme on rivers and watercourses across the area and respond to flooding and environmental incidents both day and night. We provide advice and support to our colleagues in Asset Performance, Hydrometrics, Biodiversity and Environment Management. We also work across the country when called upon to assist other areas in flood and environmental incident response.

**Payroll Administrator/Apprentice**

DL Accounts Ltd

Location: St Austell

Salary: n/a

We are seeking an innovative Payroll Administrator apprentice to join our practice on a full-time basis on a 24-month apprenticeship. Working closely with our Payroll and Pensions Manager, the successful applicant will be expected to be competent and confident with using technology as well as be able to answer phone calls, respond to emails and interact with clients. Payroll and Pensions are governed by legal regulations and compliance standards which must be applied in the workplace.

As a Payroll Administrator, you will learn how to apply these regulatory, compliance and legislative standards as well as develop a working knowledge of how payroll and pensions information is created, verified, processed and reported. The apprenticeship will be provided through Smart Training and Recruitment with much course content delivered via online learning rather than weekly day-release to college.

The candidate should have a flair for learning, be self-motivated, able to work from their own initiative, be punctual, able to prioritise their work as well as willing to develop their skills set. A keen eye for detail and methodical approach is also essential, as is the ability to assess and evaluate. An understanding of accounting software, bookkeeping and payroll is desirable but not essential, as full training will be given. Please note, the position will be based in our St. Austell office although you may be required to travel to our Newquay office when needed.

### **Revenues & Assessment - Level 4 Apprentice (x2 positions available)**

Cornwall Council

Location: Camborne

Salary: £18,327/year

This is an exciting opportunity to work within a fast-paced team environment. Do you enjoy achieving goals and meeting deadlines? if so the Assessment, Billing and Collection Service could be the perfect place for you.

You will play a part in delivering an effective, efficient and customer focused service contributing to the Billing, Collection and recovery of Council Tax and, the assessment of Housing Benefit and Council Tax Support claims under the direction of the Assessment, Billing and Collection Team Leader. You will assist in maximising the Council's income and ensuring that low income households are able to access all available financial support.

Training will be provided for the processes and regulations covering welfare benefits and Council Tax, so you do not need previous experience in these areas. What is important is that you are someone who is committed to putting the customer first and likes working as part of a large dynamic team. Whilst you will need to demonstrate an ability to work on your own initiative, you will receive direction and support from a team leader to achieve your full potential and to meet deadlines and targets. You should be confident in using technology such as laptop computers and you will need to possess strong skills in Microsoft office applications and have a good standard of English and Maths.

### Teaching Assistant with a Sport Element Apprentice

SIR ROBERT GEFFERY'S SCHOOL

Location: Saltash

Salary: £150.50/week

Sir Robert Geffery's school are looking to hire an enthusiastic and committed Apprentice Teaching Assistant to join their dedicated team. This position will have a sport element and will suit someone who is fit and active.

Duties for this role will include:

- Assisting teaching staff with their day to day activities
- Assisting with physical education, sports, and fitness activities
- Developing strategies to support and encourage pupils to move towards independent learning
- Complying with policy and procedures for sharing confidential information and know when and where to seek advice
- Helping set up the learning environment for the daily programme and helping to tidy away at the end of the session, ensuring that all equipment is clean and safe at all times
- To be aware of any special needs a child may have and to familiarise oneself with relevant play and learning plans
- Attending training courses
- To advise children, offering an appropriate level of support and stimulation
- Assisting with lunchtime and after school clubs

Closing date: 28 Jun 2021

### Apprentice Welder / Fabricator

Westcountry Fabrication Ltd

Location: Saltash

Salary: £204/week

Are you keen to develop skills in a trade that is in high demand nationally? Are you interested in construction, engineering and manufacturing? Do you take pride in your work, pay attention to detail and are driven to improve? If so, we would love to welcome you to our team as a Welding / Fabricator apprentice with Westcountry Fabrication.

You will be working alongside a team of highly skilled and experienced fabricators on a diverse range of projects, from large structural steel beams, to feature staircases, to stainless steel balustrading. You will primarily be involved in production (fabrication and processing steel in the workshop). But you will also be expected to develop your understanding of every element of the fabrication process, from design, to manufacture, production and installation. Your duties will be performed under supervision so you must be comfortable working with people and in an industrial/factory setting.

Closing date: 15 Aug 2021  
Possible start date: 01 Sept 2021

### **Apprentice Field Support Technician**

BT

Location: Truro + Nationwide

Salary: £315.75/week

Some of our larger and complex customers have very specific needs from our teams and that's what we're here to serve. That could be anything from provision or repair, hardware, software or infrastructure.

As a Field Support Technician, you will be working in the Field day-to-day and have direct exposure to our customers. Working on customer sites every day means you'll need to be prepared to travel around, but that's part of the fun! You get to see our technology being used in lots of different, innovative ways, and you get to be part of it. You will attend customer sites to help with installations where engineering support is required to set-up, install, and carry out non-complex and simple repairs.

This is an incredible opportunity for someone who is passionate about technology, but that doesn't mean you have to be super technical – we'll give you all the training you need to get you up and running to progress your career within the Field and beyond. Behaviour is more important to us, so if you have a proactive attitude and you love having great conversations, apply today!

As an Apprentice Field Support Technician you'll study for a Level 3 apprenticeship. Depending on where you're based will affect the exact apprenticeship you'll study for will vary:

In England, you'll follow Information Communications Technician Level 3

Closing date: n/a

Possible start date: 01 Sept 2021

### **Property Maintenance Apprenticeship**

South West Building & Maintenance Ltd

Location: Launceston, but working in Plymouth

Salary: £166/week

A hardworking apprentice is required for a professional construction company who will be working in both public and private sector in Plymouth. You will learn all aspects of the construction trades.

As the apprentice you will be expected to work hard on a daily basis and become experienced within carpentry but willing to undertake all construction trades, you will be taught how to work quickly and efficiently as well as safely at all times. You will be expected to experience all aspects of construction such as:

- Carpentry
- Painting and decorating
- Brick work and plastering

Closing date: 08 Jun 2021

Possible start date: 14 Jun 2021
