Rugby

Redruth School students, all members of the Camborne RFC Ladies Youth Team, were delighted to win the West Coast Rugby Rocks Tournament in Barnstaple over the bank holiday weekend. They played against under 15s teams from across the UK.

(back l - r) Megan Clifford; Laura Grigg; Safron Pollard; Lilly Jehu; Faith Rowe; Paige Clarke; Rosie Ninnis.

(front l - r) Georgina Thomas; Georgia McKenny; Evie Curnow.

The team were thrilled to return with silverware, having played fabulous rugby and beating a team from Buckingham 25-10 in the Trophy final.

Any female students that are interested in playing club rugby should speak to one of the students pictured or see Mr Clifford for contact details.

Bank Holiday Gold Rush for Charlie Varker

Charlie spent 3 days competing at the South West Regional Swimming Championships in Plymouth over the bank holiday weekend. He won 3 gold medals in the 50m Backstroke, 50m Front crawl and 100m Backstroke and a silver medal for the 100m Front crawl.

This performance has been a huge jump forward for Charlie and means he will now have his sights firmly focused on the British National Championships in August.

Like any successful athlete he has great support behind him, including his parents and coach. Charlie has also been recognised by the GLL Talented Athlete Scheme. Well done Charlie!

Distinction in Grade 3 Piano

Congratulations to Lewis Thomas, Year 10 student who has achieved a Distinction in Grade 3 Piano, through examination of Trinity College, London.

A delighted Lewis is also very grateful to his tutor, Mark Clapp of Lanner, for the piano lessons and his encouragement.

Young Peoples Art Prize 2018

Newlyn Art Gallery & The Exchange

Congratulations to Morta Volskyte, Year 9 student who came second in the Young Peoples Art prize for her category.

The competition was inspired by the installation artwork by artist Tim Shaw with the theme being Blue.

Students from schools and colleges across the county entered their work and the standard was very high. Every year there is a particular theme or medium, with a judging panel of artists selecting the shortlist of works to be exhibited. This year's theme was Blue. There are three age categories 11-13, 14-16, and 17-19 years old. Morta, pictured above with Headteacher, Mr Martin and Art teacher, Mrs Mackellar, was delighted to win a selection of art supplies.

School Uniform Recycling

The school will be grateful to receive items of school uniform for recycling.

Any students who would like to donate uniform to the school at the end of term, please take your items to the Student Reception.

Thank you!

Rugby

Jago Ford captained his Ultimate Rugby 7s team in the Lytchett Minster 7s Tournament on Monday 7th May. They won all their pool games without conceding a try.

A spectacular final followed and ahead by two tries, Jago's team won.

Great team leadership and team spirit led to a positive finish for Jago's junior rugby.

Netball

Eleanor Dennis represented 'Cornwall Satellite Netball Academy' at Marjon University in April. She took part in the 'West Devon Satellite Tri Festival' playing WA and GA for her team. Her team won 3 games out of 4, coming second overall in the tournament and won the 'Most Versatile Team Award' for a match where players had to play in positions they wouldn't normally play.

Super Fun Saturdays 2018

Year 5

9th June - Humanities

30th June - Maths
