

REDRUTH SCHOOL NEWSLETTER

Issue 267 28th March 2019

The whole of Year 7 took part in an exciting STEM event - Dendrite 'Race to the Line'! We were fortunate to be sponsored by Ram Gaskets, which allowed us to run the event successfully. The rain didn't stop us from having a fun and a lively afternoon racing the

cars. Well done year 7!

The fastest car was made by Josh and Ben Brenton, Rohan Cremore, Kendra Bond and Tristan

Murray, timing at over 99 mph! We are taking the top 3 teams, the one mentioned above as well as Esme, Kaitlyn, Courtney and Lucie of 7BLM and Aaron, Rio, Liam and Leland of 7SPA to RNAS Culdrose on the 2nd of April for the Regional Final. They will have to refine and rebuild their cars and compete against 8 other schools across the County. Good luck teams!

Year 8 Bake Off

Congratulations to Josh King, Year 8 who won the Year 8 Bake Off with his dish of fillet of Bass, Mexican rice and polenta chips.

Runners up were Caitlin and Abbie with their beautiful cake and Chantelle with homemade fajitas and pancakes. All made fantastic dishes and did themselves proud.

Design Technology Challenge

Year 7 students were set the challenge of constructing a vehicle to transport personal equipment across a variety of terrains.

Students were given limited funds to purchase the construction materials and had 90 minutes to create a system for transporting either luggage or a person. Students worked in small teams to discuss, design and complete their build.

Dance Success

Congratulations to Year 11 student Jago Mottart, who has been offered a funded place at London's Urdang Academy to study on their degree level three year Musical Theatre course. Urdang Academy is one of the Country's top performing arts schools and auditioned 1,500 candidates for just under one hundred places. Jago was lucky enough to also be given a funding award which will cover the £13,500 fees per year. Jago's place at the college is unconditional, based on talent and regardless of GCSE or A Level exam results.

Jago is going to defer his place at Urdang until September 2020 to

allow him to complete his performance commitment as a dancer in Sir Matthew Bourne's upcoming production of Romeo and Juliet, where he is the youngest dancer in the cast.

He recently attended Move It - the biggest annual dance convention at Excel in London, where Jago was scouted by the producer of BBC's The Greatest Dancer for their second series. Jago was also selected as one of eight dancers from thousands in attendance to take part in an all-styles dance competition (pictured) where he emerged as runner up. A big future is in store for Jago!

STEM Raffle

Penventon Hotel Two course meal for two

Trevaskis Farm £20 voucher

Minack Theatre two tickets

Roller Disco tickets x 2

Redruth Cinema tickets x 2

Eden Project family trip

and many more...

Tickets are 25p each and can be purchased through ParentPay.
