Cornwall Youth Player of the Year

Siana Rouse has just been awarded the Cornwall Youth Brass Band "Player of the Year Award". The award was chosen by the tutors and also the 'Players Player Award' which was voted for by her peers. This is a huge achievement and is well deserved for such a talented musician. Siana plays the Cornet and the Flugal Horn.

Football

The Year 7 girls football team dropped out of the County Cup in the quarter final stages last Friday in a narrow 2-0 loss to Helston. The team have trained well all year and have made great progress, with this being the first competitive football many of them have played. The player of the match went to Jazzy K-B.

Science Club

During last Friday's lunch time Science Club, Oskar, Dom, Piran, Ben and Fin made themselves a cool device to demonstrate how the particles in a wave move. Amazing what you can do with some rulers, pegs and masking tape!

Coast to Coast

Well done to Charlie Baxter who took part in the Scouts Coast to Coast Challenge last weekend. Charlie walked 35 miles. An amazing feat!

Official Photographer

Congratulations to Izzy Ninnis. After taking some photos at one of their training sessions earlier this year, she has been given the exciting opportunity to be the Cornish Sharks American Football Teams official photographer!

Izzy attended their first game of the season which was against Somerset Wyverns at Newquay during the Easter holidays to take photos, and her pictures from the game are credited to her and displayed in a gallery on their website.

Grade 2 Music Exam

Well done to Millie Buist, Year 10, who has passed her drumming exam with Distinction.

Spelling Bee

Congratulations to Josie Mitchell who won the LEAP Spelling Bee.

Josie really impressed the judges with her accurate spelling of some very challenging words.

Young Artist of the Year

Congratulations to Dylan Yeoman-Hutchinson, Year 10 student.

Dylan recently took part in the St Ives School of Painting's county-wide hunt for Cornwall's most prodigious young talent in creative art. Dylan exhibited a photograph which he had taken.

Votes were cast for the duration of the exhibition and those votes then decided who the winners were for the Public Favourites. Well done Dylan!

Cornwall U13 South Africa Cricket Tour 2019

written by Joseph Clifton-Griffith

After landing in Tamba Airport, Johannesburg we spent the first two days of our South Africa tour at Pilanesberg National Park. We saw elephants, giraffes, rhinos, hippos and zebras! We also spent some time at Sun City Water Park which was great fun!

We played St John's Prep School in Johannesburg, which was a great experience. We were fortunate to be hosted by families during our time in South Africa and also went to school for a morning.

Whilst in Cape Town, we also visited: Table Mountain, Hout Bay and Newlands cricket ground. It was a trip which I will always remember.
