Castle to Castle Swim

Well done to Kate Staples, Year 9, who took part in the Castle to Castle Swim event last Sunday. The Castle to Castle Swim is an event run by the RNLi in aid of their South West Lifeguard Appeal. The 1 mile Open Water Swim from Pendennis Point across to St Mawes Castle takes place annually.

Kate said, "The race was a mile long from Pendennis Point across to St Mawes Castle. It did get a bit choppy in the middle which was tough. But it was good

fun because some of my friends from swimming were there. There were quite a lot of Barrel Jellyfish though and they were quite freaky!"

Kate managed a time of 28.58 minutes and came in 23rd position of 339 swimmers. An impressive achievement!
