## Murdoch Day

Redruth School students celebrated the 50th anniversary of man landing on the moon for the Murdoch Day event.

Year 7 students spent weeks planning and creating a giant piece of artwork for Murdoch Day.

The artwork was based on the Apollo 11 rocket and was carried through the town by students. The Samba Band set the rhythm for the parade and local primary school children also took part. Mr Martin, Headteacher, said, "The students embrace this annual event in the town and it is always a pleasure to join them in the community."

## Tate St Ives

Year 9 Art students visited the Tate St Ives gallery and the Barbara Hepworth Garden as part of their 3D Summer Project. The day involved a guided tour of the Tate, and a drawing experience in the

Hepworth Garden.

Maisie said, "I loved the trip because I was able to create art outside in a different environment, and learnt lots of new things."

Gemma added, "I enjoyed the trip because it made me look at the abstract work in a different light."

## Commonwealth Judo Tournament

Congratulations to Tecca Ford, Year 9 student, who has been confirmed on the England Judo Precadet squad. She will be taking part in the Commonwealth Judo Tournament in September in Birmingham. Tecca has competed at level 3 and 4 competitions and now has four months of hard training to prepare for the tournament.

## Year 5 Super Fun Saturdays

9am - 12 midday

To reserve your child's place please call 01209 203715

Arts and DT	22 June 2019
Maths and English	6 July 2019
Science	7 September 2019
Music, Drama & Dance	14 September 2019
Humanities	28 September 2019
Sport	12 October 2019

## Germany Football Tour

Three students, Ollie Band, Antony Scheele and Finley Collins, had the amazing opportunity to represent Cornwall Youth Football in a tournament in Germany. The team progressed well through the group stages and got through to the knockouts making the semi-finals and losing on a penalty shoot-out.

Again, in the 3rd/4th play off match the team lost on penalties. The team played well, only conceding 2 goals for the whole tournament. Congratulations and what an incredible experience!

## Rugby

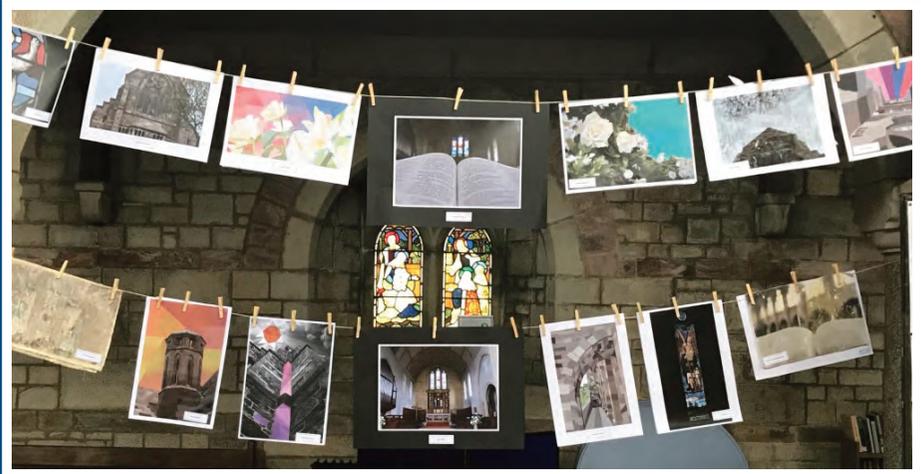

Twenty-six Year 7 and 8 students took part in a coaching day with St Helens Rugby League last week. Hosted at Redruth Rugby Club, the students were thrilled to spend time developing their skills alongside 4 other schools. Thank you to St. Helens Rugby Club and coaches.

## St Andrews Church Arts Festival

This year's theme is "Looking Up" and our Year 9 photography students went on location to the church to take images from unusual viewpoints and perspectives. Back in the classroom, we looked at hand manipulating with folds and image transfers, some students explored the polygonal geometric tool to produce abstract outcomes. Their artwork is currently on display.

## Cornwall Schools Mining Games

Well done to our Year 8 team of students, who won the Cornwall Schools Mining Games 2019. The competition is in its second year and Redruth School retains the trophy!

The Mining Games, sponsored by Camborne School of Mines and King Edward Mine, included 6 events: Panning, Mineral Processing,

Surveying, Hand Drilling, Sawing and Mucking. A great effort was made by the whole team. With thanks to Mrs Richards for organising the students.
