Presentation Evening

Over 150 students and 300 parents/carers attended the Key Stage 4 Presentation Evening. Staff, governors and members of the community also supported the evening. Students from Years 9, 10 and 11 were recognised for their outstanding progress and achievement across all academic subjects.

The evening was a success with students receiving public recognition for their commitment to their studies.

Guest Speaker, Dr Pat McGovern, and Headteacher Mr Martin presented the awards to our students. A stunning piano piece from Adam Finch, Year 10, was another highlight, as was an entertaining address from Dr McGovern. Major awards were also presented for Excellence (nominations across more than one subject), and overall subject and achievement prizes to Year 11. Well done and thank you to all students, parents/carers, teachers and governors for your support in making the evening a memorable one for all involved.

Diana Awards

Max Morrison, Year 8 student, has been invited to be a judge for this year's Diana Award. The charity works hard to inspire positive change in the lives of young people through the use of mentoring.

Max has been invited to attend the Award Ceremony at the House of Lords on the 1st of July.

Good Luck Louie!

Camp Cambodia Expedition Scuba 2021

Calling all Year 9 Parents - On Monday the Year 9 students will have an introductory assembly for the next 4 week Camp Cambodia Scuba Expedition.

We hope many of them are excited about the chance to take part.

This is a huge opportunity for our students to live and work in rural communities in Cambodia and to gain lifelong skills and

experiences.

They will also complete the PADI Open Water Diving

Course.

Please join us on Tuesday 2nd July for the Parents' Information Evening at 6.30pm in the LEAP Centre/Main Hall (depending on numbers), to find out more about this amazing opportunity. Return the reply slip to the office. Email njackman@redruth.cornwall.sch.uk for more information. Check out; twitter.com/CampCambodia/media.

Duke of Edinburgh

The DofE is an internationally recognised award scheme, and is rated highly by employers for all the qualities and attributes it helps to develop. In Year 9 and Year 10, we offer Bronze and Silver respectively. Students have to complete four sections – volunteering, physical, skills and an expedition.

Last weekend 17 students completed their Silver expedition on Bodmin Moor. They covered more than 40km

over three days in a variety of weather conditions. The Expedition was completely self-sufficient; students had to carry all equipment with them. All students were challenged by the weekend and by working together, they came through with smiles on their faces. We would like to congratulate all students who completed their

Silver expedition and look forward to the Bronze expeditions happening within Enrichment Week.
