## Children in Need

Students made a tremendous effort to raise money for Children in Need last Friday. Hannah Topliss, Year 7, made some amazing

Pudsey bear cakes to sell. Students helped to sell soft drinks and snacks. There was sponsored rowing, working out to dance videos, singing and covering Pudseys head with coins, as well as the photo booth. With such an array of goodies and fun to choose from, students were delighted to take part and raise money too. Well done to everybody who helped and donated money. We raised over £1,100!

## Combined Cadet Force

The Redruth CCF met on Thursday and learnt about leadership and what it takes to be a good leader.

The cadets met again on Saturday morning when they experienced what it is like to put up a shelter outside and to cook with their own army rations.

A great deal of fun was had whilst learning valuable survival skills.

## Rugby National Cup

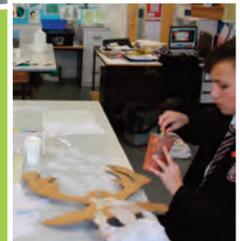

The Year 10 rugby team lost to Ivybridge 26-21 in the 3rd round of the National Cup. It was an excellent all round team performance against a very strong Ivybridge team. Both defences were strong with some huge hits being made.

Tries from Sam and Tyler saw the team leading going into the last few minutes. Ivybridge scored with the last play of the game to win. The boys can be proud of their efforts and look forward to the next County Cup game.

# Lantern Workshops

Pupils from local primary schools and Redruth School students have been working hard to create some wonderful artwork for the Christmas Lantern Parade, on Saturday 30th November, starting at 5pm.

Jake Wilcock, Year 7, and his sister Charlotte, Year 8, were also competing and played a duet together in which they came 2nd. Jake also came 2nd for his solo piece.
