Concert Pianist

On Thursday, 23 January, visiting concert pianist Richard Meyrick delivered an inspiring masterclass for students within the Music Department.

Professional pianist Richard travels the length and breadth of the UK as part of 'The Pianoman Scholarships Scheme', a national programme to encourage and nurture talented young pianists, courtesy of sponsors Sir Harvey and Lady McGrath.

Four talented pianists from Years 7 to 11 (Adam, Ethan, Ben and Kacey) were invited to prepare a solo performance piece in advance, in order to take part in the masterclass, and each young performer received an individual coaching session in front of an invited audience of MABLE music students and instrumental music students.

Richard also performed a solo piece for our students by Chopin, and gave the group some entertaining insights into the world of professional music making and the art of performing.

Art

We are extremely proud of our Year 10 Art students: Kayden Williams, Jorja Snowdon and Tegan Hogan. They have committed themselves to completing the Culture Camp course over October half-term and last Friday their hard work and creativity paid off! They have celebrated their success at the St. Ives School of Painting studios where they received Bronze Arts Award. Well done and thank you to everyone involved!

Book Donations

We would welcome donations of books to the Library, particularly if anyone has outgrown their David Walliams, Roald Dahls or any of the Tom Gates books by Liz Pichon.

Stamp Appeal CLIC Sargent

Please remember bring in any stamps to school. They are used to raise money for CLIC Sargent's Homes from Homes.

Animal Care

We have recently welcomed two new youngsters to the school community. Peter and Benjamin are rather young for secondary school but they hop to lessons, they are all ears and although a little twitchy, they are very quiet in the classroom!

Animal care students have been delighted to welcome them to their new home.

English

Inspired by Benjamin Zephaniah's 'Talkin' Turkeys', Year 7 have written poems around Christmas Conflicts in their English lessons. Their chosen subjects included: over eating and food waste; the plight of Christmas trees; Father Christmas and sprouts!

Their wonderful poems are now on display. Well done year 7!

Solo Cornet Competition

Well done to Samuel Gilbert, Year 9, who has been taking part in competitions all over the county: Helston, St Dennis, Camborne and Launceston.

Samuel plays the cornet and after competing in individual competitions, came 3rd overall.
