## Drama Rehearsals

Year 10 GCSE drama students are practising dance routines for their upcoming virtual performance in January 2021. With a theme of "2020 the year that was..."

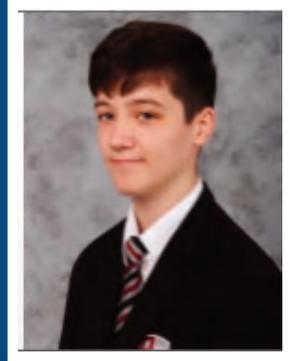

The students have created a 10 minute performance based around this theme.

# Exeter University Excellence Awards

Tyler Crocker from Year 11 has won an Excellence Award from Exeter University. He was nominated for his excellent attitude to learning and community.

A delighted Mr Martin, Headteacher, said, "Tyler is a diligent student who has both natural ability and a strong work ethic. He is a trustworthy and reliable Prefect at Redruth School. A well deserved award!"

## Geography

The weather may not have been very appealing recently but for our eager Year 7

geographers it provided them with an excellent opportunity for a bit of cloudspotting as part of their weather and climate unit.

## Children in Need

This year's Children in Need looked very different from that of previous years. Activities were completed during tutor time rather than across the day and we still raised £500.00!

A huge thank you to everybody who contributed!
