

REDRUTH SCHOOL NEWSLETTER

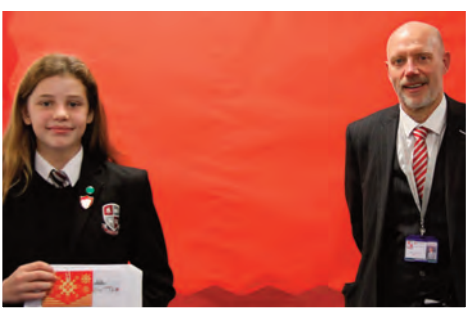

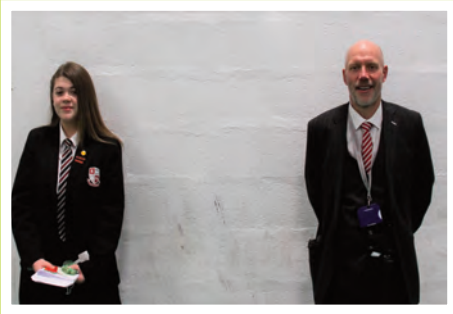

Issue 297 4th December 2020

Christmas Design Awards

Tegan, Millie, Naomi and Emily were all surprised by a visit from Headteacher, Mr Martin during tutor time on Thursday.

They were all given copies of their winning cards with their own unique designs, to send to family and friends, as well as a voucher and some festive chocolate brussel sprouts!

Year 9 students we need YOU

Redruth School have been invited to create a display for Truro Cathedral to remember the Holocaust.

We need historians, artists and literary helpers.

The first of the four sessions will be on Wednesday 9 December at 3.00 until 4.00pm in room 4.

If you would like to be part of this amazing project please see Mrs Moore, or email amoore@redruth.cornwall.sch.uk

CLIC SARGENT STAMP APPEAL

We are collecting used stamps for CLIC Sargent. Please remember to cut or carefully tear the stamps from your Christmas cards/parcels and bring them into school. They are used to raise money for CLIC Sargent's Homes from Homes where parents can stay, when their children are in hospital, often far from home.

We keep this going all year but Christmas is a time when we hopefully get lots of things through the post!

Over the last year, thanks to your support, we have collected 2 large boxes of stamps!

Young People and Families

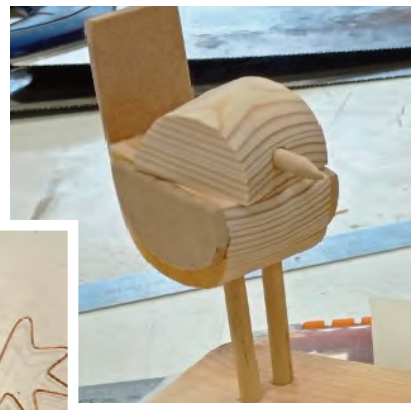

A number of local partners have come together to create an activity booklet for children, young people and families in Cornwall. The booklet is packed full of activity ideas for families to carry out including low cost crafts and recipes and will be shared across social media platforms.

Product Design

Students from across the year groups have been busy creating festive christmas products and have made some wonderful wooden robins and reindeer. They have been working on this as an extension project and have created some fantastic examples of craftsmanship. A round of robins, a herd of reindeer and a host of angels can now be found in the design technology rooms!
