School Council

A pizza lunch was held recently to celebrate the hard work of Year 11 students who have served on the Student Council.

Some noteworthy students have volunteered years of service, Holly Apsey, Harvey Jones and Holly Thompson have all been on the student council for 4 years. Other students have also committed significant amounts of time; Will Smith and Lilli Wright 3 years, Louis Andrew and Ben Laidler 2 years.

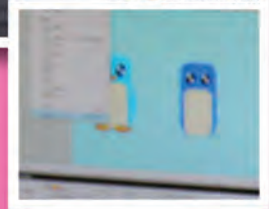

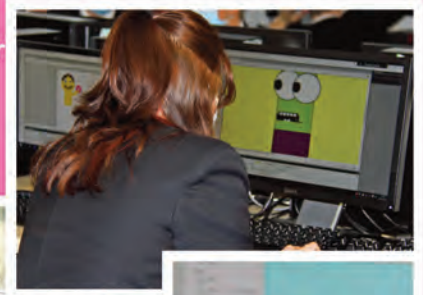

Some of the many things which they have achieved include; winning two Learner Participation Awards, interviewing the Director of Education for Cornwall Council, questioning the local MP, taking part in Restorative Justice, art exhibitions, food bank appeals, toy appeals, presentations and individual charity events.

In addition, of course, they have also been exemplary role models for their peer groups and have supported the school with various events throughout the school year. Well done!

Computer Studies

Vectors and logos were being calculated and designed in Computer Studies last week, with some lively looking characters appearing all around!

Super Saturdays

9am - Midday

18 Sept - Art/Music/Drama

25 Sept - Modern Foreign Lang/IT

2 Oct - Science

9 Oct - Design Tech/Humanities

16 Oct - PE

Please call 01209 203715 to book

Cornwall AC

Congratulations to Josh Mills, Year 7 student, who represented Cornwall AC recently at a South West League competition in Plymouth. He ran in the U13 1500m and came 5th. A great start to the season!

Breakfast with the Headteacher

Specially selected Year 10 students enjoyed breakfast with the Head, Mr Martin, on Monday. Students were nominated by teachers for having demonstrated a committed and hardworking approach to school life and going above and beyond the usual standards expected of them.

County Tennis

Well done to Zach Mills who was selected to represent Cornwall as part of the U12 County Cup Team in Torquay in April. The team came 2nd, beating Somerset, but falling to Devon.

Egg decorating competition

Congratulations to Oliver Kessell, Year 7, who won the Egg Decorating Competition, with this cracking entry.

Trainer Designer

Year 7 student, Jack Mitchell, was so inspired by Mrs Lean, his Design Technology teacher, that he sent his trainer design to a multi national company, Massey Ferguson.

The reply from Massey Ferguson's Lead Designer, complimented Jack on his "Great sense of design and sharp eye for detail." Adding, "Your talent and ambition is limitless, always remember you can do anything you put your mind to."

Jack was also thrilled to receive a sweatshirt, mug and baseball cap!

World Book Day Bake Off

The challenge to create a cake incorporating a character from their favourite book really inspired Year 7 and 8 students. Creative cake designs including The Hobbit, Cat in the Hat, and Mr Bump were particularly eye catching. Pictured below are some of the winners with their prizes including certificate, cookies from Cookie Queen, a hardback book and book voucher. Well done all!
