LANGUAGE REQUEST FORM

Modern Foreign Languages

In Year 7 students study either French or Spanish. We will expect students to continue with this language until Year 11. We believe that allowing students to focus on one language prevents confusion and best prepares our students for GCSE.

When creating balanced tutor groups we try to address a number of needs and practicalities, but previous experience at languages is not a factor within this. However, if there is a particular reason why you wish your child to study either language, please complete and return the reply slip above.
